We are distributing this manual in Word format to make it easier for you to customize the content to follow your local rules and CJA rules. You may wish to include information about some of the following topics:

- Do you wish to include contact information for CJA administrators to the attorneys? Or a website link?
- Are you using the CM/ECF link in eVoucher?
- Are attorneys allowed to edit their own profiles and billing information? Enter holding periods?
- Do attorneys still file any CJA-related documents in CM/ECF?
- What is your policy about interim payments?
- How will your site handle the CJA-24 Auth and the CJA-24 voucher? Will court reporters be involved as experts? Will the attorney create the CJA-24?
- Will the panel attorneys use the Continued Learning Education (CLE) tracking feature in eVoucher?
- Will the attorneys be doing the travel authorization provided in eVoucher?
- Will you be using the email proposed appointments available in eVoucher? How will attorneys be notified of appointments?
- Can you provide more specific information about what kinds of documents you wish the attorney to attach for each document type?

Introduction

The CJA eVoucher System is a web-based solution for submission, monitoring, and management of all Criminal Justice Act (CJA) functions. The eVoucher program will allow for:

- Online authorization requests by attorneys for service providers.
- Online voucher completion by the service provider or by the attorney acting for the service provider.
- Online voucher review and submission by the attorney.
- Online submission to the court.

Unless the court has indicated otherwise, attorneys are generally required to create and submit vouchers for their service providers and associates. The program includes the following modules:

Panel Management

- Allows attorneys to manage their own account information including address, phone, firm associations and applicable CLE credits.
- Allows for submission of holding periods or a specific amount of time taken off for medical leave, vacation, etc.

Voucher and Authorization Request Submission

- Authorization requests by attorneys for expert services
- Requests by attorneys for interim payment
- Upload supporting documents to vouchers or authorization requests
- Reports for attorneys to take an active part in monitoring costs
- Automatic email notification to attorney of approval or rejection of vouchers and authorization requests

Browser Compatibility

- Windows: Internet Explorer 8 or newer are approved.
- Apple Macintosh: Safari 5.1 or newer is approved.
- Chrome, Firefox, and other browsers may not be used with CJA.

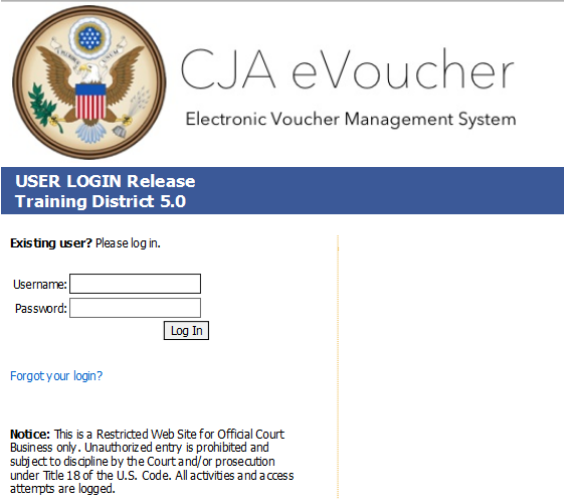

Court Appointment

When you make an appointment, an email will automatically be generated by the program, and sent to the appointed attorney. The email confirms the appointment and provides a link to the CJA eVoucher program.

Some courts may send a proposed email to the attorney, awaiting acceptance of a specific case.

Accessing the CJA eVoucher Program

Your court will provide information on how to access eVoucher. It is suggested that you bookmark it for easier access. Log on using the user name and password you were provided, and click **Log In**.

- The **Services** and **Expenses** fields tally as entries are entered into the voucher.

- Expand the item by clicking the down arrow (▼) to reveal specifics.

Reports and Case Management

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours, and expert services, by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear on the left review panel.
- Each panel, depending upon which document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

You can find other accessible reports on the menu bar.

Defendant Detailed Budget Report

This report reflects the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

The report provides the information in two sections: attorney appointment and authorized expert service.
